

## Nurturing Parenting Program™ 3-Day Facilitation Training

---

This three-day training focuses on understanding the philosophy of nurturing parenting, assessing high risk parenting beliefs and environments, creating competency based parenting lessons and programs tailored to meet the individual parenting needs of families, and implementing programs at the primary, secondary, and tertiary levels of prevention.

In three days, participants will learn:

- Nurturing Parenting philosophy
- The five parenting constructs of abuse and neglect
- Impact of maltreatment on brain development
- How to assess high-risk parenting beliefs
- To tailor make programs based on family's needs
- To gather process evaluation data
- To evaluate pre-post program impact
- To implement home and group program models

### About the Nurturing Parenting Programs

The Nurturing Parenting Programs™ are family-based and focus on increasing nurturing parenting skills. These programs include a variety of activities that work to build empathy, emotional regulation, love and compassion, along with discipline to form healthy parent-child bonds. For more information, visit [www.nurturingparenting.com](http://www.nurturingparenting.com).
