A wonderful opportunity to come together to support your professional development, enhance your skill set, nurture yourself, and collaborate to promote NP facilitator trainings in a cohesive and consistent manner.

The primary training goals are focused on increasing fidelity and congruence in Facilitator Training, reviewing best practice training methods to create best practitioners and standards in parent education, networking and to assist Family Development Resources with future conferences.

### Training topics to cover or work to be done:

- Training and Technical Assistance Congruency
- Taking Fidelity to the Next Level
- NPP Marketing and Funding Streams
- State and National Expansions
- Research Updates
- Review of Programs/Curricula and Highlights
- Promoting and Using Assessments and Outcome Based Evaluations
- About Family Nurturing Centers
