

18hr. VIRTUAL Nurturing Program Facilitator Training

The four-day training focuses on understanding the philosophy of nurturing parenting, assessing high risk parenting beliefs and environments, and implementing programs at the primary, secondary, and tertiary levels of prevention. Participants will learn how to monitor the success of families through process and outcome-based evaluations. Strategies will be provided to measure the attainment of parenting attitude, knowledge, and skills. Participants will learn how to implement the newly updated Nurturing Program Families 5-19™ and other nurturing curricula (specific curriculum covered is based on participants needs). Telehealth implementation applying the Seven Step Fidelity™ and the importance of administering and scoring the online version of the Adult-Adolescent Parenting Inventory will also be briefly discussed (for more assessment training please see website calendar).

In four days, participants will learn:

- The Nurturing Program (NP) philosophy
- The five parenting constructs of abuse and neglect
- How to assess high-risk parenting beliefs
- The Seven Step Fidelity™ implementation
- How to implement NP to individuals, families, and groups through a virtual platform
- How to tailor programs to address family diverse needs
- How to gather process and outcome data
