

## **FACILITATOR CERTIFICATION AGREEMENT**

I acknowledge that I have completed the 18-hour NP facilitator training in its entirety and I now feel both competent and confident in the 7Step Fidelity™ Implementation of the Nurturing Families Infant-19™ (NFI-19)™. I understand that this certification, grants me the ability to provide direct services to children and families by utilizing the NFI-19™ applying the skills I have learned throughout this training. I also understand that now I am part of a bigger family and with this privilege comes responsibility to serve ethically. I clearly understand that with this facilitator certification I cannot train other professionals to become facilitators. I will also use every opportunity to share with others the valuable information Nurturing Families Infant – 19™ program offers.

I commit to honor the fidelity of NFI-19™ through facilitating discussions with individuals, families, and groups. I will adhere to the values and philosophy while utilizing the research assessments [www.assessingparenting.com](http://www.assessingparenting.com) and the constructs developed by Dr. Stephen Bavolek, which I learned in my training. I will do the research necessary to be informed about a wide array of training, curriculum and program options available at [www.texasnurturingcenter.org](http://www.texasnurturingcenter.org)

PRAXIS and FNC-TX website. I further acknowledge that I will seek to properly utilize the appropriate evaluation tools, service model and adhere to the recommended “session dosage and frequency”. I agree to work with my trainer before making any modifications to the tertiary programs or service delivery models. As a trained and certified facilitator, I commit to uphold the principles of the NFI-19™ and to ultimately stop the intergenerational cycle of child abuse and neglect by teaching violence free behavior, to practice and to promote empathic nurturing parenting interactions.

I will not re-print and/or distribute any Facilitator manuals. Permission is granted to re-print and/or distribute the Family Workbook if you purchase the annual license through the Family Nurturing Center of Texas.
