Nurturing Parenting Program 3-Day Facilitator Training

VIRTUAL TRAINING VIA ZOOM PLATFORM

The three-day training focuses on understanding the philosophy of nurturing parenting, assessing high risk parenting beliefs and environments, implementing programs at the primary, secondary, and tertiary levels of prevention. Participants will also learn how to monitor the success of families through on-going process evaluation strategies designed to measure the attainment of parenting knowledge and skills. Participants will learn how to implement the new Nurturing Families 5-19 Program™. This program can be conducted through the telehealth system individually or in groups. Participants will also learn how to provide Telehealth fidelity implementation and the importance of administering and scoring the online versions of the Adult-Adolescent Parenting Inventory (AAPI-2)

In three days, participants will learn:

- **The Nurturing Program philosophy**
- **The five parenting constructs of abuse and neglect**
- **How to assess high-risk parenting beliefs**
- **The steps to fidelity implementation**
- **The effectiveness of individual and group based models through Telehealth**
- **How to tailor programs to address family's diverse needs**
- **How to gather process evaluation data**
- **How to evaluate pre-post program impact**

WHO CAN BENEFIT

Professionals and para-professionals working in education, behavioral health, violence prevention, child welfare, Head Start, school systems, treatment facilities, social work, and social services can benefit from this training.
